IN THE LEAD.

FOR THE THIRD YEAR IN SUCCESSION. Paid more money to claimants in Texas, during 1895, than all other accident companies combined. It is hard to tell which company does the most good.

# Oil Heating Stoves.

The "Orient" is still in the lead of all competitors. Although still early in the season, they are selling rapidly. The "Orient" has become so well known that it is not necessary to describe it here in detail. It is a heater, an ornament to any room, and can be converted into a cook-stove. No other light is needed when an "Orient" is in the room. It is the handsomest and most popular oil heating device ever invented. Over one hundred now in use in El Paso; and they are cheap. Write for circular.
